---

## Introduction

This Articulation Agreement recognizes that the Central Texas College District (CTC) located in Killeen, TX and **South University - Austin** located in **Round Rock, Texas** are active educational partners committed to providing greater educational opportunities and services for students transferring between institutions. This agreement supports the concept of a seamless transfer embracing the principle that transfer students should not be required to repeat competencies already achieved. CTC and **South University - Austin** enter into this agreement in the spirit of cooperation and mutually recognize each other as quality institutions of higher learning.

## Purpose

The purpose of the agreement is to enable CTC students who transfer to **South University - Austin** to carry with them the credit they have already earned for as much relevant study as possible. The agreement provides a structure through which transfer articulation on all levels can be supported. Courses taken at any CTC location and by any delivery method are considered equally transferable.

- 6- **South University - Austin** will encourage CTC transfer students to complete the appropriate Associates Degree either before matriculation to **South University - Austin** or by reverse transfer of course credit following admission to and attendance at the **South University - Austin**.
- 7- Once the student transfers, **South University - Austin** will develop a reverse transfer credit process that includes the methodology to identify CTC transfer students who have earned at least 30 non-remedial credits at CTC and have earned a total of 90 cumulative credit hours of coursework. **South University - Austin** agrees to provide CTC with a list of potentially eligible students and their transcripts each term provided student's consent to release information is obtained.
- 8- **South University - Austin** agrees to share data related to CTC transfer students annually. Share data must include but is not limited to: number of transfer students, grades, degrees awarded, date enrolled and date graduated, etc. Both institutions agree to follow all Family Education Rights and Privacy Act (FERPA) regulations or requirements.
- 9- **South University - Austin** agrees to provide transfer students with information regarding the availability of transfer scholarships for eligible students as well as any other financial aid opportunities at **South University - Austin**.
- 10- CTC agrees to inform students who are nearing graduation of transfer opportunities and what needs to be accomplished to meet transfer requirements.
- 11- **South University - Austin** and CTC agree to cooperate in communicating information about this agreement. Each institution will: assume responsibility for appropriate marketing to reach their respective student populations, and will annually review the agreement and update the articulation webpage as necessary.
