Science in Leadership (MS)

Level Up Your Leadership Skills

Why choose our leadership program? Our Master of Science in Leadership program is designed to prepare you to **solve organizational problems** and **lead with confidence** in a fast-paced, global environment. You'll graduate with the skills to drive innovation, adapt to change, and **unlock communication, collaboration, and strategic decision-making** in individuals, teams, departments, and organizations. Along the way, you have the opportunity to learn from faculty with real-world leadership experience¹ across business, government, and nonprofit sectors.

Designed for flexibility² and affordability, our leadership program lets you advance your education without putting your life on hold. Full-time students can **graduate in as little as 15 months³** with **tuition under \$20,000.⁴** Military grants are available for veterans, active duty service members, and their families.⁵

¹Faculty credentials and experience may vary.

²The MSL hybrid program has an in-person component that may not be flexible.

³Average time to completion is based on successful, continuous, and full-time enrollment.

⁴Assumes successful progression through the program. Additional charges will apply for retaking any courses.

⁵Please see Financial Aid to understand full eligibility and condition requirements. Financial aid is available for those who qualify.

How you'll learn: Our MSL program is designed to fit your life. The online leadership program offers classes 100% online. At our campuses, each five-week course features four weeks of online classes and one on-campus Saturday session.

Program locations:

Atlanta, GA | Austin, TX | Columbia, SC | Montgomery, AL | Richmond, VA | Savannah, GA
Tampa, FL | Virginia Beach, VA | West Palm Beach, FL | Online Programs

Build the skills to:

- **Lead with awareness** of the factors that shape leadership strategy and impact stakeholders
- **Communicate clear, persuasive messages** that inspire confidence and drive results
- **Strategically analyze** complex challenges and devise effective leadership solutions
- **Leverage information effectively** to make informed decisions and guide organizations

MSL graduates can explore roles like:

- Training and development management
- Organizational change management
- Fundraising management
- Organizational management
