Bachelor of Science
in Nursing (BSN)

Why Choose Our BSN? With **no wait list**, our Bachelor of Science in Nursing (BSN) lets you start working toward your goal of becoming a registered nurse right away. In this **CCNE-accredited** BSN program, you'll study nursing theory and build your skills through **hands-on practice** in simulation labs and clinical settings. Our faculty and staff will provide **support and mentorship at every step**, guiding you as you build the caring, communication, critical thinking, and professionalism needed to provide holistic nursing care for individuals, families, and communities.

Hands-on practice

Support and mentorship
at every step

Graduates are required to pass the national certification exam and obtain a state license in order to work in the field. (Exam names vary by program.) Please refer to the State Professional Licensure Determination and National Certification/Licensure section of the university catalog for additional information. South University cannot guarantee each graduate will pass the required licensure examinations. South University does not promise or guarantee licensure, employment, or salary amounts.

Program locations:

Austin, TX | Columbia, SC | High Point, NC | Montgomery, AL | Orlando, FL | Richmond, VA
Savannah, GA | Tampa, FL | Virginia Beach, VA | West Palm Beach, FL

How you'll learn: Take BSN classes on campus and gain in-person experience in local clinical settings.

Build the skills to:

- Synthesize research, theories, and concepts from nursing and other disciplines
- Collaborate with other healthcare professionals using various resources and technologies in the advanced nursing leadership role
- Apply critical-thinking skills to establish priorities, delegate responsibility, make decisions, and maintain accountability in nursing
- Deliver evidence-based, comprehensive, and holistic nursing care, using the nursing process and systematic inquiry to promote health and quality of life for diverse populations
- Use ethical and legal practice standards to assist with healthcare quality improvement

Preparing You for the RN Licensure Exam

BSN graduates must pass the National Council Licensure Examination Registered Nurse (NCLEX-RN) in order to obtain licensure and begin practice as a registered nurse.

Committed to Excellence in Nursing Education

The Bachelor of Science in Nursing, Master of Science in Nursing, and Doctor of Nursing Practice programs at South University are accredited by the Commission on Collegiate Nursing Education (<http://www.ccneaccreditation.org>).
