

South UNIVERSITY®
COLLEGE OF BUSINESS

48
QUARTER CREDITS

Master of Science in Information Systems (MSIS)

Elevate Your Future in Technology & Business

Why choose our program? Level up in business and technology leadership with a focus on **real-world applications and strategy.** Learn how to identify problems and present solutions using oral, visual, and analytical means as well as business cases, service level agreements, use cases, and dashboards. In our MSIS classes, you'll **develop a portfolio of projects** that is **vetted by industry professionals** and features the skills and technologies critical to your target career. The MSIS program is built for affordability, with tuition **under $20,000** (plus fees). Financial aid is available to those who qualify, including military members and families. Grants and scholarships are also available for those who qualify.

How you'll learn: Take classes 100% online, or learn in-person at your local campus.

100% Online

Real-world applications and strategy

UNDER 20K
Tuition under $20,000
