Student-Right-to-Know Act

South University - Cleveland

The current official IPEDS graduation rates are measured based on first-time full-time students who enrolled in school in the cohort year 2011.

Due to this location not enrolling students until after the cohort year beginning in 2011, based on the official graduation rate definition, no first-time full-time students graduated within 150 percent of the normal time to complete the longest program.
