The Approx.Total Cost of the program is based on tuition charged per credit hour or per quarter, (average 10 or 11 weeks (based on program) per quarter with a few exceptions),

† multiplied by the total number of credits or quarters, graduation fee, digital textbook and program fees described in the other footnotes. Actual total costs may be different depending on the total number of credit hours attempted and quarters attended.

Due to certain state requirements, the program curriculum or length may vary. Please contact an admissions representative prior to enrollment for program details.

A digital textbook will be provided for applicable courses and will be automatically secured through South university's contracted third-party vendor. The student cost for digital textbooks will be charged to the student account in addition to tuition. The student cost is \$15 per credit hour. For the Doctorate of Ministry program, the student cost is \$400 per quarter for the first six (6) quarters for a customized South University Logos package. The customized South University Logos package is not refundable on or after the first day of classes. For students opting out of the digital textbook, the associated charge will be reversed on the student account after the Drop/Add Period. Not all courses include a Digital Textbook. Courses that include a Digital Textbook will be noted in the registration material. Students who do not opt out will not need to purchase print textbooks for courses using a Digital Textbook. The purchase of the Digital Textbook is not refundable. Students who do opt out will be responsible for purchasing the required textbook. If a course does not use a Digital Textbook, the student is responsible for purchasing the required textbook.

* Additional fees may be charged for testing or certification required for certain programs. Certain programs will have additional charges for background checks, fingerprinting, professional instruments, memberships to industry associations, entrance exam, practicum evaluation fees, materials and supplies, etc. All additional program costs are contained with the digital application that students review and sign prior to be able to complete an Enrollment Agreement.

The Master of Science in Physician Assistant program includes an approximate \$400 - \$800 background check and a \$75 one-time membership fee for the American Academy of Physician Assistants in the Program Fees. Excluded from the Approx. Total Cost is a \$1000 acceptance fee, \$75 state association fees, \$100 American Heart Association (AHA) Approved Basic Life Support (BLS) Certification Fee, professional instruments (approximately \$1,100), surgical scrubs (approximately \$100/set), and a laptop computer with privacy screen (approximately \$1,500). The acceptance fee will be applied to the student's first quarter tuition payment. If an applicant accepted into the Physician Assistant program encounters circumstances that prevent their matriculation, any amount paid by the applicant that is above the non-refundable acceptance fee portion will be refunded.

Applicants for the technical phase of the Physical Therapist Assistant program (Associate of Science or Associate of Applied Science) are required to take an entrance examination (ATI TEAS). The fees are the responsibility of the student and must be paid upon registration for the test.

Students in the Associate of Science or Associate of Applied Science in Physical Therapist Assistant who are required to take ENG0099 and/or MAT099 will be required to take UVC1000. Students required to take UVC1000 will complete 114 credit hours of work for their degree.

Applicants for the pre-licensure Bachelor of Science in Nursing (professional phase) are required to take an entrance examination (TEAS). The fees are the responsibility of the student and must be paid upon registration for the test. It does not apply to the RN to Bachelor of Science in Nursing degree program.

The Master of Arts in Clinical Mental Health Counseling program has a 10-quarter track and an 8-quarter track. Program length and total cost will vary based on the track selected.

Students in the Bachelor of Science in Healthcare Management may choose to take an Anatomy and Physiology course, only BIO1011 and BIO1013 satisfy the Natural Sciences requirement. Students enrolling in either course must, however, also take the related co-requisite lab courses: BIO1012 and BIO1014 respectively. Students electing this option for their

Natural Sciences requirement will complete up to 184 credit hours of work for their degree, depending on their exact choice.

Students in the Bachelor of Arts in Psychology may choose to take an Anatomy and Physiology course, only BIO1011 and BIO1013 satisfy the Natural Sciences requirement. Students enrolling in either course must, however, also take the related co-requisite lab courses: BIO1012 and BIO1014 respectively. Students electing this option for their Natural Sciences requirement will complete up to 184 credit hours of work for their degree, depending on their exact choice.

‡ Tuition for this program is calculated and charged per quarter.
