A digital textbook will be provided for applicable courses and will be automatically secured through South university's contracted third-party vendor. The student cost for digital textbooks will be charged to the student account in addition to tuition. The student cost is \$15.00 per credit hour. For the Doctorate of Ministry program, the student cost is \$400 per quarter for the first six (6) quarters for a customized South University Logos package. The customized South University Logos package is not refundable on or after the first day of classes. For students opting out of the digital textbook, the associated charge will be reversed on the student account after the Drop/Add Period. Not all courses include a Digital Textbook. Courses that include a Digital Textbook will be noted in the registration material. Students who do not opt out will not need to purchase print textbooks for courses using a Digital Textbook. The purchase of the Digital Textbook is not refundable. Students who do opt out will be responsible for purchasing the required textbook. If a course does not use a Digital Textbook, the student is responsible for purchasing the required textbook.

++Prior to enrollment into the RN to BSN Program, students must provide a valid, unencumbered RN license. Upon receipt of the license, students will be awarded 45 transfer credits toward the total program requirements, resulting in a reduction in the overall length and cost of the program. Students applying to the RN to BSN Programs, who have earned an Associate's degree in nursing from an acceptable accredited institution, may receive up to 90 transfer of credits for the General Education and Foundation course requirements.

The Doctor of Nursing Practice program has \$1,575 practicum evaluation fee (3 practicum courses at \$525 per course) included in the program fee estimate. Students may be required to take additional clinical hours based on previously completed Master of Science in Nursing degree clinical hours.

The Master of Science in Nursing with a specialization in Adult-Gerontology Primary Care Nurse Practitioner program has \$2,100 practicum evaluation fee (4 practicum courses at \$525 per course) included in the program fee estimate.

The Master of Science in Nursing with a specialization in Family Nurse Practitioner program has \$2,625 practicum evaluation fee (5 practicum courses at \$525 per course) included in the program fee estimate.

Students applying to the RN to BSN Programs, who have earned an Associate's degree in nursing from an acceptable accredited institution, may receive up to 90 transfer of credits for the General Education and Foundation course requirements.

Students in the Bachelor of Science in Healthcare Management may choose to take an Anatomy and Physiology course, only BIO1011 and BIO1013 satisfy the Natural Sciences requirement. Students enrolling in either course must, however, also take the related co-requisite lab courses: BIO1012 and BIO1014 respectively. Students electing this option for their Natural Sciences requirement will complete up to 184 credit hours of work for their degree, depending on their exact choice.

Students in the Bachelor of Arts in Psychology may choose to take an Anatomy and Physiology course, only BIO1011 and BIO1013 satisfy the Natural Sciences requirement. Students enrolling in either course must, however, also take the related co-requisite lab courses: BIO1012 and BIO1014 respectively. Students electing this option for their Natural Sciences requirement will complete up to 184 credit hours of work for their degree, depending on their exact choice.

The Master of Science in Nursing with a specialization in Adult-Gerontology Primary Care Nurse Practitioner (RN to MSN) program has \$2,100 practicum evaluation fee (4 practicum courses at \$525 per course) included in the program fee estimate. Students applying to the RN to MSN Programs, who have earned an Associate's degree in nursing from an acceptable accredited institution, may receive up to 90 transfer of credits for the General Education and Foundation course requirements. +++Prior to enrollment into the RN to MSN Programs, students must provide a valid, unencumbered RN license. Upon receipt of the license, students will be awarded 45 transfer credits toward the total program requirements, resulting in a reduction in the overall length and cost of the program.

The Master of Science in Nursing with a specialization in Family Nurse Practitioner (RN to MSN) program has \$2,625 practicum evaluation fee (5 practicum courses at \$525 per course) included in the program fee estimate. Students applying to the RN to MSN Programs, who have earned an Associate's degree in nursing from an acceptable accredited institution, may receive up to 90 transfer of credits for the General Education and Foundation course requirements. +++Prior to enrollment into the RN to MSN Programs, students must provide a valid, unencumbered RN license. Upon receipt of the license, students will be awarded 45 transfer credits toward the total program requirements, resulting in a reduction in the overall length and cost of the program.

The Master of Science in Nursing with a specialization in Nurse Educator (RN to MSN) program has \$1,575 practicum evaluation fee (3 practicum courses at \$525 per course) included in the program fee estimate. Students applying to the RN to MSN Programs, who have earned an Associate's degree in nursing from an acceptable accredited institution, may receive up to 90 transfer of credits for the General Education and Foundation course requirements.

The Master of Science in Nursing with a specialization in Nurse Educator program has \$1,575 practicum evaluation fee (3 practicum courses at \$525 per course) included in the program fee estimate.

The Master of Science in Nursing with a specialization in Nurse Administrator program has \$1,050 practicum evaluation fee (2 practicum courses at \$525 per course) included in the program fee estimate.

The Master of Science in Nursing with a specialization in Nurse Administrator (RN to MSN) program has \$1,050 practicum evaluation fee (2 practicum courses at \$525 per course) included in the program fee estimate. Students applying to the RN to MSN Programs, who have earned an Associate's degree in nursing from an acceptable accredited institution, may receive up to 90 transfer of credits for the General Education and Foundation course requirements. +++Prior to enrollment into the RN to MSN Programs, students must provide a valid, unencumbered RN license. Upon receipt of the license, students will be awarded 45 transfer credits toward the total program requirements, resulting in a reduction in the overall length and cost of the program.

The Master of Science in Nursing with a specialization in Nurse Informatics program has \$1,050 practicum evaluation fee (2 practicum courses at \$525 per course) included in the program fee estimate.

The Master of Science in Nursing with a specialization in Nurse Informatics (RN to MSN) program has \$1,050 practicum evaluation fee (2 practicum courses at \$525 per course) included in the program fee estimate. Students applying to the RN to MSN Programs, who have earned an Associate's degree in nursing from an acceptable accredited institution, may receive up to 90 transfer of credits for the General Education and Foundation course requirements. +++Prior to enrollment into the RN to MSN Programs, students must provide a valid, unencumbered RN license. Upon receipt of the license, students will be awarded 45 transfer credits toward the total program requirements, resulting in a reduction in the overall length and cost of the program.

+++

The Doctor of Business Administration program has \$2,200 residency fee included in the program fee estimate. An additional \$1,100 residency fee will apply per residency if more than two are selected.

Tiered Tuition Structure

Students who persist and successfully earn academic credits in their educational programs* are eligible for a reduced tuition structure that decreases the students' actual tuition.

Associate's-level programs:

Based on the length of the associate degree program, students will receive a tuition reduction by 10% to 15%[†]. Students may qualify as long as they remain enrolled and participate in an eligible program of study, making them eligible for the reduced tuition within the program. Program lengths vary in the number of credits required. This reduction will occur once the following thresholds are reached:

- Students who complete greater than 45 credits will receive a 10% tuition reduction[†]
- Students who complete greater than 90 credits will receive a 15% tuition reduction[†]

All other degree programs:

Students who persist and successfully earn academic credits in their educational programs* are eligible for a tiered tuition structure that decreases the students' actual tuition cost, ranging from 10%-20%[†]. Students may qualify as long as they remain enrolled and participate in an eligible program of study, making them eligible for the tiered tuition at different thresholds within the program. This reduction automatically occurs as students reach the following thresholds:

- Students who successfully earn greater than 25% of the credits in their program will receive a 10% tuition reduction[†]
- Students who successfully earn greater than 50% of the credits in their program will receive a 15% tuition reduction[†].
- Students who successfully earn greater than 75% of the credits in their program will receive a 20% tuition reduction[†].

Program lengths vary in the number of credits required; the tuition credit occurs once credits earned surpass the percentages above

Reductions in tuition are applied at the beginning of each term (quarter). If the percentage of earned credit above is reached after the term starts, the reduction will occur at the start of the next term. All reductions' calculations are based on the original cost per credit hour.

For the purpose of eligibility for reduced tuition, transfer of credits that are accepted by the institution into a student's specific program of study will qualify towards credits that are successfully earned. If transfer of credit is received after a term begins, the reduction will occur at the start of the next term.

* *The following programs are not eligible for tiered tuition: all Nursing and Nurse Practitioner programs, Doctor of Ministry, Doctor of Pharmacy, Master of Medical Science in Anesthesia Science, Master of Science in Information Systems, Master of Science in Physician Assistant, Master of Public Health, Master of Public Administration, Master of Healthcare Administration, Master of Business Administration in Healthcare Administration, and all post-graduate certificate programs.*

[†] *Students utilizing partnership agreements or enrolling as a Continual Transfer Waiver will not be eligible for the reduced tuition. The students will receive the tuition reduction as outlined in the partnership agreement or transfer waiver.*
